

## **Sharing of investor allocation information in the fixed income primary markets**

Societe Generale and other entities of its group may share investor allocation information in the fixed income primary markets with their trading desk. Should you wish to opt out from having any investor allocations in the orderbook shared with our trading desk, please inform your Societe Generale Sales contact in writing by indicating whether this opt out is for a specific debt instrument issuance or for all debt instrument issuances in respect of which Société Générale or other entities of its group acts as syndicate bank. Your election may be modified at any time. Certain Societe Generale entities have adhered to the Financial Markets Standards Board ('FMSB') 'Standard for the sharing of investor allocation information in the fixed income primary markets' (accessible [here](#) and on the [FMSB website](#)).
